

WHERE WOULD YOUR CLIENTS BE TODAY IF THEY STARTED WITH \$100,000?

When saving for the long term, your clients don't have to experience so many bumps in the road.

As the graph above illustrates, the key to making significant strides in growing your clients' savings is protection from losses. While the equity markets have experienced a bumpy ride over the past number of years, DCF Income Payments provide buyers with consistent, smooth growth that is:

- Tax-deferred
- Compounding
- Protected from market volatility
- Not subject to principal losses/erosion

Top advisors offer DCF Income Payments from The DCF Exchange
